

CampusLogic's Proven Path to Implementation Success: ClearCost

Your success is our top priority. We believe that when you implement a technology solution you should know what to expect, so you can prepare for it. With ClearCost, you'll empower students with a mobile-optimized net price calculator that delivers cost and aid eligibility, and you'll be able to collect real-time analytics. To top it all off, you'll get the fastest implementation in the industry. You'll be guided through our onboarding process by a dedicated Customer Success Manager (CSM).
