

CampusLogic's Proven Path to Implementation Success: ScholarshipUniverse External Database

Your success is our top priority. We believe that when you implement a technology solution you should know what to expect, so you can prepare for it. With ScholarshipUniverse, you'll streamline scholarship management from application through awarding and match students with more scholarships they qualify for. To top it all off, you'll get the fastest implementation in the industry. You'll be guided through our onboarding process by a dedicated Customer Success Manager (CSM).

External Scholarships Go-Live

The initial go-live process involves enabling our external database of 12,000+ vetted scholarships.

01

KICK-OFF CALL

Talk through import requirements and answer any technical questions you may have.

Duration: 60 minutes

We'll Cover:

- Goals and timeline for onboarding tasks
- Vetted external scholarship database
- Adaptive matching engine
- Overview of single sign-on (SSO), if applicable
- Determine Go-Live date

Who Should Attend?

- Project owner
- Project sponsor
- IT lead for network
- SSO specialist
- Designated IT or operational representative

02

SETTINGS & IMPORTS

Establish your settings and foundational import of majors/programs based upon CIP Codes.

Duration: 60-90 minutes

We'll Cover:

- Import testing
- Settings review
- Single sign-on (SSO) testing

Who Should Attend?

- Project owner
- Project sponsor
- Designated IT or operational representative

External Scholarships Go-Live!

You are now ready to deliver the benefits of ScholarshipUniverse to both your students and staff. CampusLogic is happy you chose us to help you automate and simplify the scholarship management process. Your CSM will continue to be your main point of contact going forward and will work with you to ensure your success. It's time to start awarding & changing student lives with ScholarshipUniverse.
